Lincoln forms the boundaries of our lives in school. Within these boundaries lie the possibilities of becoming a person. Together, we meet the challenges, responsibilities, and demands of classes. Individually, we determine what we gain.

Mr. George Kanzelberger, Ed Kronberg

Mr. Karl Miller, Kelly Callahan

Individually, we must strive to learn. Alone, each one of us must provide the initiative to learn. Setting personal goals and supplying the determination to meet them cannot be accomplished in a group.

By providing us with a purpose and direction, teachers help us develop our minds, but the push and desire must lie within us, the students.

One cannot be isolated and hope to achieve. Individuals with common interests may merge and form groups, working together toward a common goal. In this way one learns to focus not only upon himself and his interests, but on others and their interests as well.

Student Council - Teachers' Tea

When we see the results of our labors, the hours of planning, preparing, and working are worthwhile. The results—an exciting moment, a special day, a romantic evening—not only relieve the monotony of the long weeks between vacations, but provide an impetus to continue our work.

By living each day to its fullest: taking advantage of the opportunities for friendship and good times as well as for learning, we, as students, can benefit from our high school years.

The time is now. Today too soon becomes yesterday and tomorrow is nearly today. Look back, remember and learn from yesterday. Look ahead, make plans for tomorrow. But free yourself from the net of remembrances and plans so that you can notice this moment and live for today.

To Organize All-School Activities

Student Council members began their task of organizing and improving Lincoln's student life early in September. Representatives helped collect towel fees and sold activity tickets. Chris Bauer, Jane Malinsky, and Sandy Eck compiled the student directory.

In October the Student Council chose Jan Weber as General Chairman of Homecoming. Jan's efforts and the cooperation of the student body helped to make the 1965 Homecoming weekend one of Lincoln's finest. In February the Council planned a reception and parade for the Alexandria exchange students. Bill Skatrud organized a coke party for Student Council members and exchangees.

Throughout the spring, the Council sponsored anti-litter campaigns and locker clean-out days. Continuing last year's Council project, sportsmanship chairman, Gary Pech, added new plaques recognizing team achievements to the display in the physical education unit. Council activities were brought to a close by the annual freshman orientation program.

Youth Leadership

The Most Valuable students award was presented to Joan Huchthausen and Jan Weber by the Elks Lodge. The two seniors compiled booklets on their activities and interests. They received $100 as local winners.

The Elks Lodge awarded $100 to Chris Bauer and Tom Holmes as winners of the Youth Leadership contest. They also were required to prepare booklets. The four named as local winners then became eligible for state competition.

Steve Sanders received the highest score on the United Nations Competition Examination at Lincoln. He was presented a Certificate of Merit by Miss Ruth Fuller who administered the test to volunteer students. The purpose of the test was aimed at advancing and developing the knowledge of the accomplishments and functions of the United Nations.

The Business and Professional Women's Club welcomed six Lincoln representatives to their meetings this year. The girls were selected by the faculty from various school clubs and activities. The girls talked on their interests and future ambitions.

National Honor Society accepts as members those students who meet the requirements of the society's four characteristics: leadership, scholarship, citizenship, and service. Seniors who have maintained a 3.5 or better grade point and rank in the upper fifteen per cent of their class are eligible for membership. Juniors who have earned a 3.5 average and rank in the top five per cent of their class are also considered. Those having met this scholastic requirement are then submitted to a committee of faculty members for character evaluation and final approval. Those meeting all the requirements are announced by Lincoln's National Honor advisers, Miss Mary Chamberlain and Mr. Courtney Leonard, and are formally initiated in a ceremony on awards day in May.

The new juniors meet shortly after their initiation to choose National Honor Officers, who will represent them the following year.

Special Ability, Academic Excellence

TOP SENIOR STUDENTS—Sue Morris, Sue Prickett, Tim Paschke, Chris Bauer

The mathematics department recommended students from third, fourth, and fifth year math classes to take the preliminary Wisconsin State Math Test. Those who scored above the state-established cut-off of 54 out of 125 points were automatically eligible for further competition. The mathematics faculty also selected several students who scored below this point to continue in the contest. Of the thirty Lincoln students who were to continue the competition, Mike Held, with a total of 74, scored the highest of Manitowoc students on the preliminary test. The final test was administered on March 26. Students scoring high on this test were awarded prizes from the state.

The four students who ranked on top of the 1966 graduating class were Chris Bauer, Sue Morris, Tim Paschke, and Sue Prickett. Chris and Sue Morris have maintained a 4.0 grade average during their four years of high school. All four students are members of National Honor Society.

Civic And Academic Achievement

The National Merit Scholarship Association presented Letters of Commendation to five Lincoln seniors this year. Chris Bauer, Tom Holmes, Jerry Klann, Joan Huchthausen, and Dennis Belonger were awarded these letters for having achieved a commendable score on a written test taken in their junior year. Rosemary Hartman, who moved to New York last summer, also earned a Letter.

Richard Schwartz received recognition as Lincoln's only National Merit Finalist. As a student selected for this honor, he was able to further compete for four year scholarships to accredited universities of his choice.

The faculty stressed leadership, citizenship, and scholarship in selecting Junior Rotarians. Each Thursday, two of the sixteen boys chosen attend the Rotary Club luncheon where they discuss their school activities and future plans. The Rotary Club also sponsored the foreign exchange student, Riad Jarjour.

Representatives

Six boys represented Lincoln at the twenty-fifth annual Badger Boys State held at Ripon College in June. The six, Tom Holmes, Dick Schwartz, Steve Sanders, Dave Berkedal, Jan Weber, and Mike Dewane, studied governmental organization, formed political parties, and elected representatives to office.

Jane Malinsky attended the Badger Girls program at the University of Wisconsin at Madison. Judy Granitz served as alternate. Janet Protz was chosen DAR girl by the senior class. Upon being named recipient of the award, Janet became eligible to enter the state contest in spring.

Quill and Scroll welcomed thirty-two new members into the society from the three tower publications. To be accepted in the society, the students had to rank in the upper third of their class and had to be recommended by the journalism adviser, Miss Crain, and by the Quill and Scroll members previously selected.

The Manitou, Lincoln's literary magazine, published three issues this year. The staff, headed by Dick Schwartz, strove for creativity and variety in content.

Active Staff Records Memories

"Seize the Day!", a translation of the Latin proverb, "Carpe Diem!", set the theme of the 1966 Flambeau. Staff members began suggesting theme ideas early in September. After the final decision was made, Art Editor Betsy Ansorge started work on cover designs which would emphasize the theme choice. Other staff members planned layouts and began scheduling pictures.

Shortly after work began, "Seize the Day!" became more than just the theme for the yearbook. Editors began to see it as a daily reminder to make use of every minute. It seemed there was little time for anything but an all-out effort to meet photographers for pictures, write captions and headlines, and meet copy deadlines.

In between the busy work schedule, staff members did find time for bits of fun together. Christmas cookies and birthday cakes somehow sneaked into the tower.

On June 3, the 1966 Flambeau was distributed to 92 per cent of the student body. Eighty-seven per cent of those receiving a Flambeau, purchased the yearbook as part of the activity fee, paying only 39 per cent of the cost. This high per cent of circulation climaxed a year of hard work and fun.

Staffs Work For Total Coverage

The bi-weekly publication of the Hi-Tower Flashes represents the accepted challenge of producing an interesting and well organized newspaper by the students who comprise its staff. Through planning lay-outs, writing copy, and taking pictures the staff strove to inform the student body of the latest news and gossip around school.

The photography staff made the second floor darkroom one of the busiest places in school. It was there that the large volume of pictures taken for the Flambeau and Flashes publications were developed and printed. As the year progressed, the six-member staff improved their skill through the demands made for unusual pictures in unusual places.

The publications staffs were assisted by Miss Crain's journalism class. These students collected information and wrote articles for the Flashes. They solicited ads from local business firms for the school newspaper and also sold space for ads in the Flambeau to city merchants. The junior assistants for the tower publications were selected from the journalism class.

Theatergoers With Ready Smiles

The Ushers Club, under the direction of Mr. John McAllister, initiated several changes in club policy this year. The Ushers Executive Board and the Ushers Officers made eligible only those girls who had maintained a B average.

The Board decided to open the club for membership at the start of each school year, thus giving more girls an opportunity to sign up. Previously, to be considered for membership, a girl had to register in her sophomore year. The Board checked dependability, poise, and personality as three essential qualities.

In the future, the club plans to hold several lecture meetings on the basics of ushering. Tests will be given on the material presented and on the seating arrangements of auditoriums utilized by school and civic functions.

Throughout the year the Ushers Club served for Masquers plays, for Lincoln's plays, for College Day, and for Civic Music presentations.

School spirit, that noble noun, was again the goal of Pep Club. To achieve it Pep Club members spent long hours painting posters and victory hoops. selling booster buttons, and creating new money raising projects.

A newly elected squad of Manty cheerleaders placed first in the final competition at cheering camp in Platteville this summer. During the year the cheerleaders used ingenuity in producing pep skits at rallies, notably the postponed Red-White Day skit. Rick Padgett and Gary Warren blended their masculine voices with the girls' in yelling at games.

In their familiar red and white uniforms the Pom Pom Drill Team performed during halftime at games. The snappy and precise routines reflected many hours of planning and practice. As a special tribute to the Louisiana exchangees, the girls donned Confederate hats.

To transport Manty fans to out of town games, the Pep Club organized and partially defrayed the cost of student buses.

The Faculty edged M Club 43-42 in the Faculty-M Club basketball game, March 26. The M Club, however, was reassured by the popularity and financial success of the game which allowed them to purchase burgundy athletic blazers for traveling Manty teams as their 1966 project.

M Club will again award one or two scholarships of $50 to deserving members. The recipients are chosen on the basis of athletic participation, M Club participation, and academic record.

Top Performances

Although Honorary Swim Club did not present a pageant this year, the girls have been busy improving old stunts, in addition to learning new formations and dives. Every Monday after school was spent in hours of drilling and composing new routines for future pageant presentation.

The club also traveled to the junior high schools to coach the freshman girls interested in joining Honorary Swim Club next fall. Another activity included hosting a water fun day and workshop at Lincoln with the Girls Swim Club from Two Rivers.

Orchesis Club, whose members learn to compose modern dance routines to literature, art, and music, utilized evening hours to prepare for their second annual dance recital entitled, "The Sixth Dimension." In their compositions the girls learned to develop creative movements, interpreting their feelings into the mood of the dance.

Riders Club, in its initial year, participated in trail rides, horseshows, and parades. The highlight was the Horseman's Clinic in Madison, March 26, demonstrating show techniques and horse hygiene.

Being an AFS member means learning about other customs and meeting people from different countries. During the year, AFS members heard Dora Minahim from Brazil and Mr. Watson from Costa Rica talk about their homelands. AFS week, the highlight of the year, was held the first week in January. The week's activities, including a Pot Luck on Friday and a tea on Saturday, were climaxed by a dance on Saturday night. The club also sponsored a book project for Costa Rica schools.

Our Business: Books And Bakesales

Anyone want his car washed? How about some candy? Would you buy a book cover? Teachers Memorial Scholarship Association members were busy all year asking questions such as these. Successful projects enabled the club to award scholarships in memory of retired teachers. Also, hard working members enjoyed a September tea and a June picnic.

Checking out, putting away, and repairing . . . these tasks plus others kept the Library Board busy all year. By working for one period each day, student librarians earned one half credit.

A profitable store enabled Future Business Leaders of America to have an active '65-'66 year. For Thanksgiving, the club provided two families with a complete meal. For Christmas, FBLA made nut cups for the patients at Holy Family Hospital. In March, the club visited Mirro Aluminum Goods and Manitowoc Engineering. A coke and chip party ended the year.

Lincoln's band was again active from September to June. When fall weather permitted, the band practiced marching and drilling outdoors. The result was snappy performances in the Homecoming parade, at football half-times, and in the local Memorial Day parade.

The band performed for the public at the Mid-winter Concert, January 23. Among the selections played were Fauchet Gillette's "Symphony in Bb-first movement," John Cacavas' "La Bella Roma," Boccalari's "Fiume March," and Ronald Thielman's "Modal Overture." The band's next appearance was at the Spring Concert, May 5; and then their own Band-A-Rama, March 24. Taking part in the Band-A-Rama were both the concert and stage bands and the brass and clarinet choirs. The band also gave a lyceum for the school, April 6.

Solos and small ensembles competed at the Two Rivers music festival, April 2. Band members travelled to Oshkosh on May 7 for the Band Concert Event. Participating in such contests as these helped fourteen band members to earn letters and eight others to earn bars. A letter is awarded after compiling 200 points, and a bar is given to a band member who has already earned a letter and compiles 100 points.

The pep band boosted school spirit at home football and basketball games and led students at school pep rallies.

Closing out the year's activities, the band played for Commencement exercises.

The debate team completed the season's competition by posting a 3-3 record at the district tournament at Kaukauna, January 29. Although this was one win short of allowing the team to continue to state competition, some consolation came when Lincoln defeated Green Bay West — accounting for West's only district loss. This year's debate topic was "Resolved: that the federal government should adopt a program of compulsory arbitration in labor-management disputes in basic industries."

"Your Lincoln Log" continued its sixteenth year of broadcasting over radio station WOMT each Saturday morning at 10:45. Entirely a student project, the programs served the school and community by reporting interesting news and timely events at Lincoln.

Eight Lincoln students competed in the state forensic contest in Madison April 23. They had previously earned A ratings at the district forensic contest held March 26 at Oshkosh. Six other Lincolnites received B ratings at district competition.

Singers Form Disciplined Group

YOUTH RECITAL WINNERS—S. Schwartz, L. Thomsen, G. Wollersheim, B. Krupski, D. Frailing, R. Denk, D. Gray, L. Volz, F. Schwoerer, T. Paschke

Entertainment and competition were the main items on the schedule for mixed chorus this year. Success in both areas meant disciplined practice — and plenty of it!

The chorus sang at Washington and Wilson Junior Highs on October 19. They gave their first performance at Lincoln in the Christmas Concert, December 21. They next performed in the Mid-winter Concert on January 23 and, on May 5, in the Spring Concert. They also presented a lyceum program for all students on March 31.

Chorus members competed in the annual Youth Recital, February 20; at the District Solo Festival in Two Rivers, April 2; at the State Solo Festival, April 30; and the District Concert Festival, May 7 at Oshkosh.

The Lincoln Singers sang in various school concerts and also for several community functions.

The Importance of Being Earnest," directed by Mrs. Gary Drohman, was presented at Lincoln on October 28 and 30.

The play, a comedy and farce by Oscar Wilde, deals with mistaken identity. Jack Worthing, played by Bob Jung, has invented a younger brother Earnest whom Jack pretends to visit whenever he desires a private fling in London. Jack's friend, Algernon Mancrieff, played by Bob Dawson, also uses the name Earnest in starting a romance with Jack's ward Cecily Cardew, played by Sue Ziarnik.

Complications arise as Cecily and Jack's fiancee, Gwendoline Fairfax, played by Janet Scott, meet and conclude they're both in love with the same man—Earnest.

"The Diary of Anne Frank," the well-known play by Albert Hackett and Frances Goodrich, was presented on February 24 and 26 under the direction of Mr. David Ludvig.

The play is the story, as seen through the diary of a young girl, of what life was like for eight Jews living in hiding during the Nazi reign.

Since the play takes place entirely within the hiding place attic, the stage set was most important. The stage crew, under the guidance of art teacher Mr. Ronald Stokes, succeeded in creating the necessary feeling of cramped captivity.

Whether the solo attraction or the supplementary ingredient, the orchestra thrilled its listeners.

At the Mid-winter Concert on January 23 the orchestra, under the direction of Mr. Karl Miller, played Bach's "Jesu, Joy of Man's Desiring," the lighter "On the Trail," from "Grand Canyon Suite," and a medley of Richard Rodgers' songs from "Carousel." The orchestra again performed for the public May 5 at the Spring Concert.

Providing pit music for school plays, the orchestra always created a true theater atmosphere. To encourage cultural growth, the orchestra presented lyceums at elementary, junior, and Lincoln High schools. To increase their own musical knowledge, the orchestra travelled to Milwaukee on March 28 to hear the Chicago Symphony.

The Symphonette appeared at church and service club groups when a smaller orchestra was needed.

Lincoln's Girls Glee Club had a busy year of concerts and festivals.

The glee club's first appearance was in the Christmas Concert on December 21. Their first performance for the public was at the Mid-winter Concert, January 23. Among the songs they sang were "Drummer Boy," "Hear the Sledges With the Bells," and "Benedictus." The glee club again sang for the public on May 5 at the Spring Concert.

With glee clubs from Fox River Valley schools, Lincoln's glee club appeared in the Spring Music Festival, May 7, in Oshkosh.

Several members auditioned and were selected to sing at the Youth Recital held at Wilson Jr. High on February 20. Several girls also competed in the Fox River Valley Solo-Ensemble Contest in Two Rivers, April 2.

The Triple Trio appeared in these various festivals and contests, and also Christmas caroled at the city's hospitals and rest homes.

New Friends, New Experiences

Exchangee Paula Sparks during a conference room meeting

Thirty Bears from Bolton High School in Alexandria, Louisiana, hurried eagerly off the train on February 12, and the North-South exchange began.

As part of their greeting, the exchangees were taken through the city in a parade.

Among the activities planned were a "Welcome Aboard" dance, sponsored by the senior class, and a "Break the Ice" dinner for the exchangees, their hosts and host parents.

An assembly program welcomed the exchangees and chaperones to LHS. They also enjoyed a faculty reception, a student council coke party and tours of Manitowoc and the vicinity.

On Snow Day there was not an abundance of snow, but for the exchangees, many of whom had never seen snow, it was a fun-filled day of sledding, tobogganing and exploring at Silver Creek Park.

When their stay ended, the Bolton exchangees looked forward to the arrival of the thirty Manitowoc students in March.

Of All The Days To Call Off School

Senior, junior, and sophomore floors, trimmed with crepe paper, banners, and painted posters, awaited the BIG DAY.

Lincolnites had remained long after the 3:14 dismissal to finish decorating the hallways. They stopped only to eat the hamburgers and half-orders they ordered from Late's. Their conversation consisted of: "Oh, the junior floor isn't so great!" "What costume are ya going to wear tomorrow?" "Do you think we'll beat West?" By 9 p.m. the school stood ready.

January 28, 1966 arrived. It was another FIRST in Lincoln's history for it was -25° F. and school was called off! Horrors! No Red-White Day! The one day of the year everyone WANTS to come to school!

The game, however, wasn't postponed. And, not so surprisingly, students packed the Fieldhouse. Sub-zero temperatures were quickly forgotten for the game was a "real barn-burner, folks!" West beat Manty 63-61.

"Good Grief" is right, Linus! Unfortunate sophomores must wait until next year at Lincoln to see their first REAL Red-White Day

Ships Place Second in Valley Meet

The home track proved to be advantageous for the Lincoln thinclads as they captured first place in their invitational meet and second place in the FRVC Indoor Meet. Both were held in the Kennedy Phy. Ed. Unit.

Three school records fell in the 1965 season. Glen Lasch, breaking his own record of 12' 6" in 1964, vaulted to 13', copping second place in the state meet and setting a new school pole vault record. Darryl Polak sprinted to a new time of 22.1 seconds in the 220, beating Bob Duvall's time of 22.9 seconds in 1963. Surpassing a record that held for eight years, Bernard Duvall set a new time of 20.4 seconds in the 180 low hurdles.

Golf Squad Takes Valley Crown

The 1965 golf squad under Coach Don Annis finished with an overall 10-0-2 record, first place in the conference meet, and third out of 12 teams in the state sectional.

Manty easily won the FRVC Meet with a 413 total, while Green Bay East finished 10 strokes behind with a 423 mark. Medalist honors went to Jim Chermak who stroked a score of 77. Teammate Bob Sullivan scored a 78, one stroke behind Chermak.

Lincoln's two ties came when Oshkosh tied them in the Oshkosh Quadrangular at 425 each, and when Manty and Sheboygan North deadlocked at 205 in a triangular with Lincoln as the host.

Harriers Show Steady Improvement

Tiresome training every night after school helped provide the harriers with their successful season. Shown here preparing for their next meet are Dennis Holschbach, Jim Hamann, Bob Jung, and Steve Eatough

Manty's young and inexperienced harriers started the 1965 season with an impressive victory over Two Rivers but fell back and finished in fifth place out of six teams at the Shawano Invitational.

Lincoln recovered from this poor showing and recorded a triangular victory over both Sheboygan schools. The harriers continued to do well while finishing third in the FRVC Meet and fourth out of 12 teams in the state sectional at Brookfield East.

Coach Robert Blizzard viewed the season as one of steady improvement and eagerly awaits next fall because all lettermen will be returning along with several promising sophomores.

Gridders Gain Needed Experience

Experience is what Lincoln's football team needed and they did obtain this by accomplishing a respectable 4-5 season under the first-year mentorship of Coach William Twichell.

The most successful game of the season came when highly regarded Green Bay West travelled to Manitowoc for the perennial Homecoming tilt. When the Ships had possession of the ball for the second time in the first quarter, senior Chuck Leiker broke through the enormous Wildcat defensive line and sprinted 83 yards for the gridders' first score of the game. From that point on, Manty literally outplayed West for a 13-7 Homecoming victory.

Coach John Farwell's 1965-66 gymnastics squad had one thought in mind—win some meets. For a team that was only in its second year of competition, accomplishing this goal was quite challenging. The girls squad went undefeated in three meets while the boys team scored two easy victories over Appleton.

At the state meet, Rich Gehrke finished third in the free-exercise while ninth place went to Pat O'Hearn and Chuck Smith on the still rings and parallel bars.

Cagers Miss Trip To Madison In

Manty proved the FRVC sportswriters wrong by finishing tied for second and threatening the undefeated record of Green Bay West before bowing to the state ranked Wildcats 63-61.

Moreover, the cagers again scared West for the sectional title that was to decide the Madison-bound team. After leading throughout most of the tilt, Manty was forced into an overtime in which a desperate lay-up in the final seconds gave West a 55-53 victory.

Swimmers Lack Successful Season

In his dive, senior Steve Lauson executes perfect form for a high score

Although the 1965-66 Lincoln swimming team finished with a rather poor 4-9 dual meet record, the squad was comprised of eight inexperienced sophomores and juniors who earned letter certificates and will return next year for a promising season. The four victories were divided among Two Rivers and Menasha and won by considerable margins.

Jeff Pagels earned 97 letter points to top his fellow teammates. Finishing far behind him in second was Jim Randolph with 59 points.

Participation Expands In BAC

The Boys Athletic Club, under the direction of Mr. Ned Hodgson, enjoyed another successful year. The number of boys participating in the various activities showed an increase over previous years. Over 250 took part in seven activities.

The intramural year was divided into fall, winter, and spring seasons. Touch football and distance swimming were the two fall activities. In the touch football league, comprised of six teams, the Knights of the Edge were league champions. They claimed a perfect 4-0 record.

During this season, the BAC also opened the pool after school for all interested boys. Ten-mile and five-mile swim events were set up. Those completing the 10 miles were Chuck Lemberger, Tom Duenkel and Kelly Callahan.

Basketball and volleyball highlighted the winter season. Action in two basketball leagues took place during December and January. The Good Thieves, composed of Jack Gross, Ed Kronberg, Joe Brisch, Greg Scherer, Fred Jehle, and Roger Schipper, repeated as champions of the Junior-Senior league. They were 6-0 in league action and defeated Hal's Angels 57-20 in the league tournament finals.

In the Sophomore League, the Rogues won the championship. Members of the Rogues were Tom Fricke, Dick Schroeder, Francis Wergin, Ken Fricke, Joe Peroutka, Greg Kornely, and Chip Strebel. After the intramural basketball action was completed, volleyball took the BAC spotlight.

Competition Continues Through GAA

The Girls Athletic Association provided an opportunity for improvement in physical fitness.

A treasure hunt began GAA activities this fall. Colored, falling leaves and browning grass set the scene for a quick game of tennis or speed-a-way.

As the temperature dropped, sports went indoors. A Christmas roller skating party supplied fun for club members and the women physical education teachers. Interested girls from nine schools competed in a volleyball sports day on March 19.

The mercury rose and activities again went outdoors. Track and Field gave girls a chance to work as individuals.

Freshmen became familiar with the function of GAA when they attended a spring playday.

Officiating at all GAA activities was the main function of Officials Club. Sportheads, chosen from the club members, organized teams and scheduled their respective events.

Representatives of the North Central Association visited and evaluated Lincoln. Before compiling the official, written report of Lincoln's strengths and weaknesses, the visiting committee gave faculty and administration members an informal report on their findings.

The evaluators cited the foreign language laboratory as very modern and the physical education building as not matched in the state. The representatives also observed that the additions to the school did not spoil its beauty.

That the faculty is well qualified, well informed, and willing to study new techniques and that the maintenance crew is excellent were also stated in the report.

Their findings included a broad and comprehensive program of studies, in which students are stimulated to listen and to think, and a fine pupil attitude.

Miss Dorothy Crain, journalism teacher and publications adviser, was named Wisconsin's "Outstanding Journalism Teacher-Adviser" at the annual High School Editors' Conference at the University of Wisconsin, Madison, in late October. Saturday's award came as a complete surprise to Miss Crain. She received a handsome engraved plaque cut in the shape of Wisconsin.

The following Monday was proclaimed "Miss Crain Day" by Principal Rufin W. Boyd in a general announcement to the entire school. The publication staffs decorated the school in her honor.

As a joke the students put up a poster on the steps leading to the tower saying "Congratulations from the milkman in Tulsa, Oklahoma." Miss Crain has always told her journalism students to write so clearly that even the milkman in Tulsa, Oklahoma, can read and understand it.

After school the teachers gathered in the high school library to honor Miss Crain at a tea. Monday evening the English teachers feted Miss Crain at a dinner party.

Sophs Strive For Acceptance

Strange faces gave us the once over as we entered Lincoln's unfamiliar halls to begin a new school year. As days progressed, we settled down and began the routine to be followed for the next three years.

Although our creative talent and skill did not reward us with a first place in Homecoming competition, we nevertheless were proud of what we accomplished.

Due to unreasonably cold weather, we shared the disappointment of missing Red-White Day. However, Peanuts and his associates adorned second floor with their "Happiness Is" comments about the team.

Lab orientated biology courses enabled us to search for answers instead of memorizing them, while the reading labs improved reading comprehension, speed, and vocabulary.

With the arrival of spring, we looked forward to Freshmen Orientation Day, when we welcomed the incoming freshmen as we were welcomed one year ago.

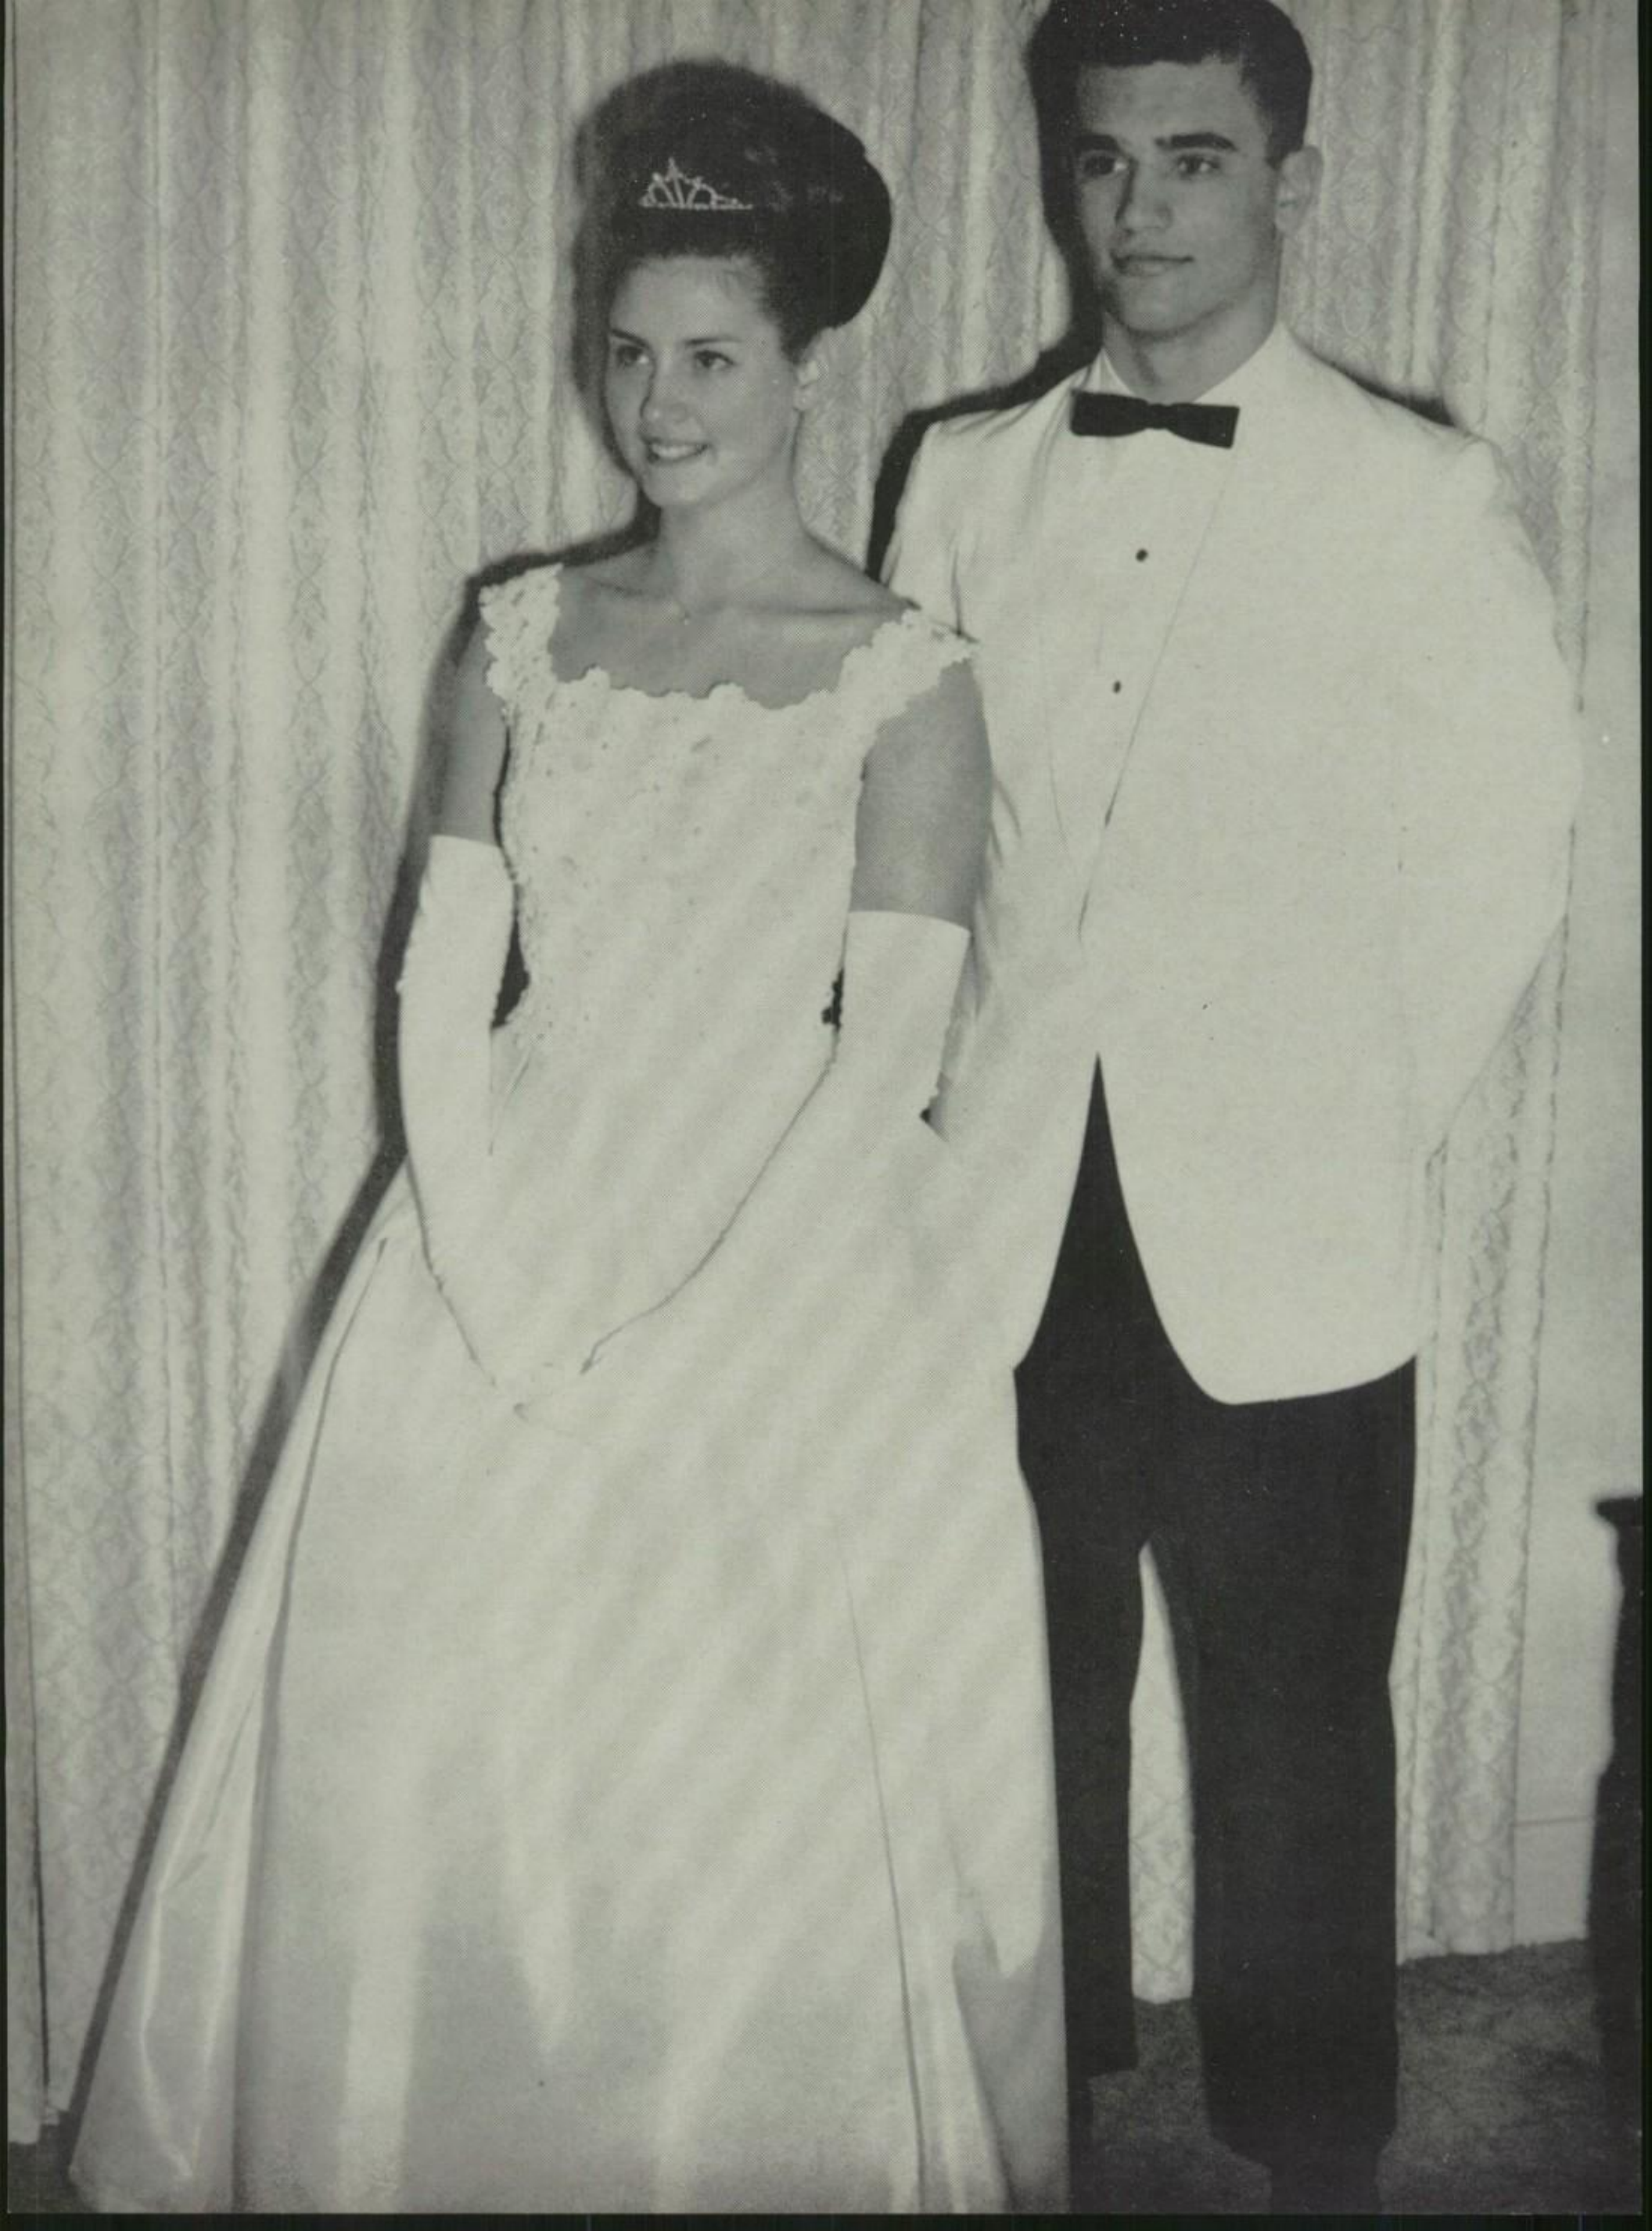
Second floor proves to be a friendly gathering place for the sophomores before the rush to first hour classes



Une Soiree Parisienne

A charming Parisian setting greeted the couples who attended the 1966 Junior Prom, "Une Soiree Parisienne." The decorations wove a spell of romance and beauty.

On this evening of April 15, students arriving at the John F. Kennedy Physical Education Unit were transported to Paris via effective decorations.

Dressed as French maids, sophomore girls welcomed the couples and served punch to those seated at sidewalk cafes.

Following the grand march, King Bradd Steckmesser escorted Queen Paula Jones past the mural of the Eiffel Tower and the bubbling fountains to their thrones.

Gene Heier and his band provided the music for the formal dance which Tom Beerntsen, the general chairman, and his committees planned and executed through the aid of junior class members.

COMMITTEE CHAIRMEN — STANDING — Bob Jung, intermissions; Bob Hackbarth, decorations; Tom Beerntsen, general chairman SITTING—Sharon Wachholz, decorations

COMMITTEE CHAIRMEN — FRONT ROW—Gary Buerstatte, publicity; Judy Moss, invitations Penny Ohde, programs; Sandi Schultz, publicity; Betsy Bartels, intermission; Bob Scherer, tickets and door BACK ROW — Gary Warren, cloakroom; Janet Scott, refreshments; Peggy Staalson, refreshments; Dianne Frailing, tickets and door; John Torke, clean-up

JUNIOR CLASS OFFICERS — Bradd Steckmesser, president; Mary Rysticken, secretary; Vicki Jirikowic, treasurer; Robert Schroeder, vice-president

JUNIOR CLASS ADVISERS—Mrs. Gary Drohman and Mr. Warren Schuster

Casey's Coffin won first place for juniors in Homecoming skit competition. Also, "We Knocked'Em Dead On Arrival" with our float. Throughout the weekend, the juniors participated energetically in all activities.

Our Twirp Dance on November 12 featured 'Lil Abner with a hillbilly theme. On Red-White Day, the juniors changed the third floor into a sea of disaster for Green Bay West. Waves swallowing West's players depicted the theme, "The Cats Will Sink in the Ship's Wave of Victory."

King Bradd Steckmesser and Queen Paula Jones reigned over "A Parisian Evening" on April 15. The authentic appearance of the street cafes provided a festive atmosphere.

Throughout the year, the juniors earned recognition by winning awards. Because of hard work and determination, they became flower girls and members of the National Honor Society.

Queen Janet Protz and King Ed Kronborg reigned over 1965 Homecoming

Queen Janet waves to the crowd during Saturday's parade

Top Honors Go To Senior Class

Queen Janet Protz and King Ed Kronberg reigned over the Homecoming activities October 8-9. The festivities began Friday night with a pep rally in the auditorium. Seniors took top honors for their cheering spirit. A snake dance to Red Arrow Park preceded the bonfire which was lit by Queen Janet.

The parade, led by the Lincoln band and the Queen's float, began Saturday's activities. Municipal Field was the site of the game against Green Bay West where the Ships defeated the Wildcats 13 to 7.

To top off the weekend, the Homecoming dance, "Harvest of Memories," was held in the original gym. Decorations, including colored lights and autumn leaves, trimmed the gym, and the Dolysch Brothers of Two Rivers provided the music. Jan Weber served as Master of Ceremonies. The Statesmen, a local band, provided the entertainment for intermission.

Graduation Day, one of the most important days of our lives, was a day of excitement and beauty. The multitude of pastel formals accented the natural beauty of the bowl where the ceremony took place. Realizing the significance of the day, we thought seriously about the past and the future.

As we solemnly walked down the steps for the last time, we recalled some of the experiences that made up our lives at Lincoln. We remembered, of course, the homework, the term papers, and the semester exams. We felt grateful for the teachers who did their best to inspire us to learn, question, and thus improve ourselves. For many of us, the pleasant memores of Friday night games, pep rallies, and Prom returned.

It is said that all good things must come to an end. Therefore, we turn our attention from the pleasant memories of life at Lincoln to the future, with the realization that more valuable experiences lie ahead.

Last year's flower girls repeat their performance but this year as graduates
